"Melbourne CBD perfect"

★★★★★ Reviewed 4 March 2016

We had a 2 bedroom 2 bathroom apartment and it was huge. All new and modern with everything you could ask for. Foxtel, view, extremely comfortable beds, great showers, spacious. Amazing value, and a tram stop at the door.

"Best location and good view"

★★★★★ Reviewed 18 August 2016 via mobile

We stayed at 56th floor. Can enjoy view of Melbourne as well. The location is perfect. Short walk to southern cross station and shopping malls. There are gyms, swimming pool and sauna at 33rd floor. Mini mart is at the front of the building. Many cafes, restaurants surrounded.

★★★★★ Reviewed 26 June 2016 via mobile

Hi stayed here for 7 nights with my elderly mum in a two bedroom apartment on the 56th floor , the view was fabulous WOW. It was clean comfortable and had everything, the beds were really comfy. Tram stop just outside and train station 200mtrs away Which had a woolies in it very convenient, I would certainly stay here again. I booked online and it was called Melbourne sky high apartments? So not sure which is the correct name. Very satisfied

Stayed June 2016, travelled with family
